

FRANNY CIVITANO

New York City Wedding Officiant + Day-of Coordinator

2024 PRICING GUIDE

Marry us? I'd love to.

A wedding is a celebration of love, friendship, and family; of where you've been and where you're going. Every time I am asked to officiate a wedding, I know what a unique responsibility and honor it is to stand between two people who are making what is often the most important, most public declaration of their lives. I cherish the moments when I can feel—palpably—the love, joy, and anticipation in a room full of people coming together for a singular purpose: to celebrate love.
